VOL. 9 NO. 1 WEDNESDAY, FEBRUARY 7, 1968 10¢ per copy

The St. Albert Ladies Open Bonspiel got underway at 11 a.m. on Feb. 5. Bill Hanna, St. Albert Piper led the curlers on to the ice. There are 30 rinks curling in the 'spiel.

MRS. BERTHA KENNEDY

Bertha Kennedy Wins Medal

The St. Albert Public School district have chosen Mrs. Bertha Kennedy as their staff winner of a centennial medal.

Mrs. Kennedy has been employed with the school division for 12 years, she has taught school for 20 years.

In choosing her for the award the committee took into consideration her long term service with teachers and the work she has done with the ATA local. She has been actively involved with the church choir since 1938, is a church organist and had a junior choir for many years.

All employees of the Public School District were eligible for the award and the committee accepted two nominations from each of its four schools. Mrs. Kennedy received four of the possible eight nominations.

School Closes For Funeral

Paul Kane school was closed on the afternoon of Feb. 7 in observance of the funeral rites being held for Beverly Carlyle who was killed in an automobile accident on Feb. 4.

Beverly was a Grade 11 student at Paul Kane.

will be raised to \$30, children's tickets set at \$7, student's tickets \$10, and adult season tickets \$12. The single admission fees would remain the same as 1967, adults 65¢; students 35¢ and children 25¢ per swim.

Petition Stops Five By-laws

A petition has been filed at the town hall against the five by-laws that were advertised for the borrowing of funds for certain town projects.

The first petition was for the borrowing of funds to purchase the following equipment: a 3-ton truck, two 1/2 ton trucks, panel truck, power brush for \$350. This would pay for itself

several times a year, as it is presently done by hand labor. A rototiller, renovaire, turf sweeper to pick up broken bottles from park area. A insecticide sprayer, twin hoist, lubrication unit and a steamer for a cost of \$24,975.

The present 3-ton truck has broken down and the town is left with only the two 1961 half tons for such purposes as sanding and other road service.

The second by-law would provide \$3,500 for askitow.

Number three was for landscaping the Civic Centre grounds, partial reforestation of parkland, Grandin Shoppers' Park area and landscaping natural parkland between Lacombe and Simpson Schools for a total of \$6,500.

Number four would cover nine area walkways and four sidewalks to be hard surfaced for a total of \$12,800 and number five would provide money for 10 streets and three parking lots to be recapped at a total cost of \$37,000.

The council has now been prevented from going ahead with any one of the above projects. Also they are forced to hold a plebiscite now at an approximate cost to the taxpayer of \$1,500. The Local Authorities Board will not permit council to buy any of the equipment out of general funds nor will they permit council to scrap any of the items mentioned in the advertised by-laws.

A further factor in the situation is that this money had been arranged for at the interest rate of 7%. By the time a plebiscite is held the provincial government will have met and the new rate of interest will be at least 7 and 1/2%. This increase is expected in April.

An interesting fact about the petition that carries 251 names is that it is signed by 86 persons who are husband and wife.

An approximate breakdown of the areas represented on the petition is as follows: Grandin 95, Sturgeon 80, Mission and Braeside 45 each.

Non Teacher Salary Schedule

The Board of Trustees of the St. Albert Public School District No. 3 referred the salary schedule for non teacher personnel to the Salary Negotiation Committee for review and recommendations.

This action was taken at the Jan. 16 meeting of the trustees with the following present: Trustees Fraser, Mirlin, O'Hara, LaBelle, Ross and the secretary-treasurer.

The administrative staff will complete a report for the next regular board meeting setting forth the responsibility of the school board in relationship to services and improvements instituted by town council on property abutting school sites.

The sum of \$75,000 will be borrowed from the Bank of Montreal to finance current operational expense.

Promissory notes will be issued to the Bank of Montreal in the amount of \$40,000 and \$4,311.20 bearing interest at 6-1/2% per annum; such notes to replace those of similar denomination presently held by the said Bank but bearing the interest rate of 6% per annum.

Mr. Fraser and Mr. LaBelle were authorized to attend the A.S.T.A. salary seminar under Zone 3 sponsorship at the Riviera Hotel or under Zone 2 at the Bonaventure Motor Hotel.

Mr. LaBelle was appointed as the official delegate to the Zone 2 meeting with Mrs. Ross acting as alternate.

F. Lukay Elected to Council

Frank Lukay has been elected to the council of the town of St. Albert.

In the by-election held in St. Albert on Jan. 31 Frank Lukay polled 550 votes and Robert Russell 398. They were the only two running to fill the seat left vacant

by the resignation of Donald Bull.

G. P. Moore, returning officer filed his report at the Feb. 5 meeting of council. Mr. Lukay was sworn in as a councillor.

The following is a poll by poll vote of the by-election.

Poll	Lukay	Russell	Yes	No

Swimming Pool Fees

At the Jan. 22 meeting of the St. Albert town council the matter of swimming pool fees came up for discussion.

Contrary to the finance committee recommendations Mayor Fowler had stated in his report that family season tickets should not be abolished as individual tickets would result in a prohibitive sum for some families.

Councillor de Bruijn stated that in view of the deficit suffered by the swimming pool in 1967 that the family season tickets should be abolished and that the family allowance cheque for one month could be used to buy the children's season tickets. In his opinion the tickets are being used mainly for the children with minimum adult participation.

Council debated this question for sometime and reached the conclusion that individual tickets would not halt the abuse of the tickets and that definitely the rates would have to be raised in order to try to eliminate part of the deficit. At the same time council discussed the matter of paying for the tickets on the water bills to be issued in June, August and October. Mayor Fowler had advised in his report that in his opinion the difficulties were not insurmountable and that this practice should continue in 1968.

A motion that the family season tickets for the swimming pool be abolished was defeated.

The family season ticket

Jim Flynn throws the first rock to open the Ladies Open Bonspiel being played this week at the St. Albert Curling rink. Standing behind him is Doreen Waldnik, vice-president of the St. Albert Ladies Curling Club. Mr. Flynn was born in St. Albert and has curled with the club for the past 20 years. Incidentally this rock ended up on the button.

Frank Carnahan On Scotland

A good turnout of parents and teachers at the Leo Nickerson P.T.A. meeting held Jan. 17 heard guest speaker Frank Carnahan, Principal of St. George Simpson Elementary School, give an interesting and informative resume of a year spent as a teacher in a Scottish school.

The business meeting following saw the acceptance of Rev. E. Klaszus as second vice-president of the association.

Against the subject of traffic lights at the intersection of the highway and Ball Ave., was raised. Those attending felt the painted crosswalk now used was completely inadequate. Another letter will be sent to the town requesting their close attention to this problem.

A report from the centennial committee revealed the tragic destruction of several trees and shrubs, planted last spring as the association's centennial

BOY SCOUT Rally

The Landing Trail Scout District will hold a Winter Rally, Feb. 11 commencing at 1 p.m. on the Sturgeon River, just west of the bridge. Some 250 boys are expected to take part in this event which will include competition fire lighting, log sawing, snowshoe races, Indian wrestling, toboggan racing and an obstacle race for sleds over a one mile course. If the temperature drops to five below or colder as announced over C.F.R.N. radio, the Boy Scout Winter Rally will be postponed till Feb. 18.

project. An appeal goes out to all parents in the vicinity of Leo Nickerson school with children attending the school or using the grounds for play to ask their children to respect public and private property and to refrain from wilful damage of this sort.

Bursary Policy

The St. Albert Protestant Separate school board education committee implemented a bursary policy at their meeting held on Feb. 1. This will have to be ratified by the board before it becomes effective.

Students of the district and other teacher trainees who will take up education at an Alberta University would be eligible for a bursary if they teach for one year in the division after completion of their teacher training. If they found they could not teach for that year they would have to refund the bursary.

The policy will provide \$400 a year for a maximum of two years training in the faculty of education. The money would be payable in September and in January, the latter to be paid only on successful completion of the fall term.

The division will pay for a maximum of 10 in one year. Special permission may be forthcoming for further applications if necessary.

Anniversary Celebrations

The St. Albert Evangelical Lutheran Church will hold an anniversary celebration on Feb. 11 in recognition of the first birthday of the new Evangelical Lutheran Church of Canada and the second anniversary of the church here in St. Albert.

Pastor and Mrs. Olson will be honored as it is almost two years since they moved here from Saskatoon to start this home mission church.

Sunday School and worship services will be held as usual at 9:45 and 11 a.m. The worship service will be conducted by laymen of the congregation.

At 5:45 p.m. a pot luck supper will be served by the women of the church for the entire family. Then there will be a hymn-sing followed by a film "No Time to Wait".

All friends and members of the church are invited to attend.

The St. Albert Savings and Credit Union are holding their annual meeting and social on Friday, Feb. 9 at 8 p.m. The evening will include dancing, refreshments and door prizes and tickets are available at the Credit Union office. Everyone is welcome.

Obituary

BEVERLY CARLYLE.

Funeral service for Beverly Carlyle, beloved daughter of Mr. and Mrs. Doug Carlyle, 22 Grandin Road, who was killed in an automobile accident on Feb. 4 was held Wednesday, Feb. 7 at St. Albert Evangelical Lutheran Church, Rev. R. O. Olson and Rev. R. Busch officiated. Interment took place in Mount View cemetery, Lethbridge on Feb. 8.

Besides her parents she leaves to mourn one brother Terry and one sister, Leslie both at home; her grandmothers, Mrs. Mary Huffman and Mrs. Isabelle Carlyle, both of Medicine Hat. Memorials may be made to the Memorial Fund, Luther League, St. Albert Evangelical Lutheran Church.

South side Memorial Chapel was in charge of arrangements.

WILLIAM DEZALL.

Mr. William Dezall of the Youville Home passed away Jan. 31. He leaves one brother, Edward John of Innisfail, and one sister Mrs. Eva Christie of Hopeville, Ontario.

Funeral services were held Feb. 2. Interment in Westlawn Memorial Park, SYDNEY WILLIS.

A resident of the Youville Home for the past few years Sydney Willis passed away Jan. 28 at the age of 80. He is survived by one daughter, Mrs. H. Loughran of Edmonton.

Mr. Willis was born in London, England, and came to Saskatchewan in 1919. During the Second World War Mr. Willis served with the British and Canadian Inspection Board at Valcartier, Quebec, checking

MIDGET "B" HOCKEY

After 10 games the standings are:

A. Leading in scoring race - Baur - 6 goals + 7 assists for 13 points Clendenning - 9 goals + 2 assists for 11 points Powell - 7 goals + 4 assists for 11 points.

B. Minutes in penalty box - Clendenning leading with 32 minutes

C. Two goalies - Connauton with 1 - 13 for and against Coward with 1,73 for and against.

HERCULES SPORTS ASSOCIATION BOXING

Two of the best junior boxers in the province came as close to a draw as a split decision can be as Dennis Belair won over Richard Jodzio in the final match of the Saturday evening Boxing Card sponsored by the Hercules Sports Association at the Community Hall on Feb. 3.

In the other matches none of the St. Albert boys could get a judges decision but that did not stop Wayne Dorn or Jim Kelly from winning their matches as they each faced their opponents to concede in the first round.

Other St. Albert boys appearing on the Card were Garry Larson, Larry Chyzk, Neil Kelly, Lloyd Kemps, Paul Jelley and Ricky Horner. GOLF

Those interested in the Golf School which we hope to have in March (if there are enough registrations) are asked to phone the department of parks and recreation at 599-6601.

CHARM COURSE

Registration forms have artillery shells.

Funeral services were held Jan. 31 with Rev. Cecil B. Dawkins officiating. Interment in Westlawn Memorial Park.

James Thomas Pierce, 24 Sorrel Crescent is mourning the loss of his mother, Mrs. M. T. (Joan Elsie) Pierce who passed away in Edmonton Jan. 30.

Club in St. Albert. Volunteer instructors are needed. Please phone the department if you are willing and able to help.

Body Perm 1/2 Price

Request for Briefs on the Question of Amalgamation

Following a public Meeting held on October 4, 1967, for the purpose of discussing the possibility of amalgamation with the City of Edmonton, it was decided by Council to invite written briefs from citizens and groups, expressing opinions on the question of amalgamation or alternatives thereto.

Written briefs on this question are hereby solicited. Briefs should be submitted to the undersigned in duplicate not later than February 29, 1968.

It is anticipated that public meetings will be held about the middle of March to give consideration to this important question.

Dated at St. Albert this 23rd Day of January 1968.

By Order of Council,

J. M. Fleming
Secretary-Treasurer
Town of St. Albert

Mayor Fowler's Memo

The following Notice of Motion will be given by St. Albert on Wednesday, Feb. 7 at the monthly meeting of the Edmonton Regional Planning Commission.

"That the Edmonton Regional Planning Commission be charged to undertake a study into the feasibility of a Metropolitan form of Government for the Edmonton Area. And further that the cost of such a study be totally borne by the Provincial Government under the existing provisions for 'Special Projects' as are carried out by Regional Planning Commissions from time to time."

The Town of St. Albert is a full member of the Regional Planning Commission and as such is entitled to make the above request. It is to be remembered though that this is merely a Notice of Motion and as such will not be discussed this month. I feel that the possibility definitely exists that the motion may cause considerable stir in certain circles but I also feel that it is time that the City of Edmonton politicians realized that all those living outside their boundaries may not be too anxious to throw in their lot and benefits with them with-

out a considerable amount of thought and study not only to the possibility of annexation (and the resulting loss of autonomy) but also the possibility of a suitable alternate with whatever benefits may be obtained by that alternate. As I've already said though, this is only a Notice of Motion and as such it can of course be defeated as any other motion can be. Care to make any predictions as to who will be voting against it?

.. ..

A Petition calling for a vote on all the Town Money By-Laws was received last Friday. This means two things. (1) It will be impossible for the Town to arrive at a mill rate this month as was our original intention. (2) Any reference I have made to the possibility of "holding the line" on the Municipal portion of the mill rate or even lowering it should now be totally disregarded. I intend to advise Council next Monday to hold an immediate plebiscite so that we can decide exactly where we stand in regard to the expenditures which are absolutely necessary for the continued efficient operation of the Town. I am well aware of the fact that the

absence of a Ski-Tow or trees will not effect the town operation but there certainly are certain things which we cannot operate without. Once again I regret the necessity to spend \$1300 of your money (nearly one-half the Ski-Tow) but it is the will of 5% of the Propriety Electors that we do so, so it shall be done. I sincerely hope that this will be the last time that it will be necessary to hold a Special Plebiscite. In the future I would hope that Council will advertise all Money By-Laws sixty days before the October Election which will allow the necessary thirty days for the Petitioners to do their work and then permit Council to place the By-Law before the people during the regular October election, if necessary. (Which I'm sure it will be in most instances). For those of you that are wondering why we aren't waiting this year the reason is simply that we cannot conclude the 1968 Operating Budget without knowing where we stand in relationship to equipment replacement, street maintenance, recapping, etc. etc. Either we borrow the money or we add it on the taxes. It's that simple!

Editorial

The town of St. Albert is now accepting briefs on the subject of amalgamation with Edmonton. It is a good time for residents to reflect on why they are here.

A majority of the population has been here less than 10 years. Actually they made a decision against living in Edmonton when they came. Their work was in the city but they chose to live in St. Albert. Families continue to choose St. Albert every month as Edmonton job opportunities bring them to the area.

An underlying factor seems to be expressed as a recent newcomer from Toronto put it, "I like the relaxed atmosphere here after a day's work in the city - and I can be home from the office in less than half an hour." Those who call St. Albert home through two or three generations have different reasons and probably stronger feelings for keeping St. Albert an individual community.

Results of the public meeting on amalgamation would indicate that most people prefer to keep St. Albert's identity and manage their own community affairs.

But none of us can shut our eyes to the fact that we are very close to a large and growing city, whose demanding tentacles must keep reaching out for more and more room and we will inevitably be caught up in Edmonton's growth. To press for the earliest possible date for amalgamation in order to reduce property taxes is an unrealistic approach. Edmonton is presently looking at a 10 mill increase - with bridges, roads to tie in with provincial highway arteries, obsolete traffic circles, coliseum plans and more to come. St. Albert is in a good position to hold its present mill rate.

And amalgamation is only one potential action. There are many ways to entering a metropolitan system.

How many people feel they can write a brief on this subject is another matter. But everyone can write a letter to town hall and this they should do. Together with the briefs, opinions simply stated in a letter, will assist councillors and others who must give thorough study to the whole question in relation to the Edmonton Regional Planning Board and the Department of Municipal Affairs.

This is no time to say nothing because you feel you are not able to present a brief. Make your opinion known in a letter saying whether you prefer St. Albert to remain an independent community as long as possible or whether you prefer becoming part of Edmonton as soon as possible. The public meeting is over, but it's not too late to record your vote.

Historic

St. Albert

Mayor Fowler is seen presenting Robert Bellerose with a scroll given in memory of his grandfather Octave Bellerose who lived in St. Albert in 1867.

During the holidays, due to lack of space, the Gazette was unable to complete the Centennial series "Historic St. Albert."

This was the Centennial project of Jim Drysdale and was done to honor the memory of those who were in St. Albert 100 years ago.

This week we are featuring Octave Bellerose. His descendants were represented by Robert Bellerose at a presentation ceremony at the St. Albert town hall at the end of 1967.

The Gazette is grateful to Dr. J. W. Chalmers who did the research and wrote the biographies of the pioneers that are featured in this series.

Octave Bellerose

Probably between 1825 and 1830 there was born at Trois Rivieres, Quebec, a bright-eyed little Canadian who probably never heard of Horace Greeley and his famous injunction, "Go west, young man," but followed it nevertheless. He was Oliver Bellerose, who came to St. Albert area at the age of 18 to trade furs for the Hudson's Bay Company. He married Suzette Savard who counted a Canadian Indian among her grandparents. Oliver and Suzette established a home here. Oliver was frequently away on fur-buying trips as far north as Grouard, where his son Octave - one of thirteen children was born in 1853.

Octave Bellerose grew up in the St. Albert district, and was known as the best horseman in the area. On one occasion, according to family tradition, he drove one team the 98 miles from St. Albert to Athabasca Landing in a single day. Like many of his friends and relatives, he served in the St. Albert Mounted Rifles during the Riel Rebellion. Octave's unit, in which he served as 2nd Lieutenant under Capt. Sam Cunningham, rode to the defence of Lac La Biche.

Octave and his wife, nee Lucy L'Hirondelle, had two sons and four daughters. One was Pierre (usually knows

as St. Pierre after his patron saint), born on April 16, 1875 at Buffalo Lake in the Red Deer area where his buffalo-hunting parents had been winter-bound the previous fall by an unseasonable snow storm.

Pierre married Justine Beaudry in 1903 and, like his grandfather, sired thirteen children, of whom an even dozen survived to adulthood.

Like his contemporaries Pierre lived a full life. For a while he operated a livery stable and stopping place at Athabasca Landing, then homesteaded at Colinton until his father Octave died, when Pierre returned to St. Albert and the ancestral acres. These in turn passed to the present squire, Robert Octave Bellerose and his brothers when Pierre died.

Thus Robert Bellerose, who still lives on the family river lot on Bellerose Drive, St. Albert, is the recipient of a Centennial Scroll from Mayor Fowler honoring Grandpere Octave (1853-1909), one of St. Albert's worthy pioneers.

RODEO

The 1968 Canadian Western Stock Show and Rodeo will run over seven days -- starting on March the 25th.

Prize money will soar to about \$17,000 - added. Cowboy entry fees will push the final total to a record \$26,000 for the rodeo itself.

Letters to the Editor Community of Adults

There has been much discussion by you, the adults, on the subject of a coffeehouse in St. Albert. Some are for it, some against and some are indifferent. To those of you who are against such an activity I wish to ask you this, "what do your teenagers think of a coffeehouse?" and what do your teens do on the weekends that is worthwhile? Well I'm a senior teen and I'm completely sold on the idea of a coffeehouse. To me it's not an extra luxury for teens -- it's a necessity!

What can teens use a coffeehouse for? How many adults have to wait in a drugstore for friends? Not many because they can meet in the local "Pub". Teens can't! Then some adults wonder why some teens stand on street corners. Where are we supposed to go? To a poorly organized dance? to a show labelled restricted "Adult"? To a pool hall (where girls aren't allowed)? I believe the answer to this problem is a coffeehouse for the teens and run by the teens!

You may question my last statement -- why have it run by the teens? It's a known fact that most teens reject adult dictatorship.

And why shouldn't we, doesn't teen democracy sound better? Adults shouldn't complain about irresponsible teens because we haven't been given much opportunity to prove ourselves in this aspect.

To those of you who do support us, I thank you and for those of you who oppose us I say this. People shouldn't condemn this teen project for even if we fail,

I think we should be given this chance just the same. How else can we prove to you that we are up-coming adults--

Interested Senior Teen
Barbara Savola.

Possibility of Metro

Mayor Fowler expressed in your last issue, great interest in the possibility of a Metro form of government for Greater Edmonton. In view of his position the mayor's stand is both far sighted and courageous. Amalgamation, as such, is only a palliative. It does not go to the root of the problem. Namely, that the tax revenue derived from the entire region (for eg. Greater Edmonton) should be distributed equitably for the benefit of all the people living and working in that region.

When we consider the entire Edmonton area as a single economic region, of which St. Albert is an inevitable part, then we are placed in a position to deal with the basic problems of modern urban growth and development out of which our present tax problems arise. Obviously a variety of solutions are possible.

My plea would be that council and the citizens approach these questions with an open mind. We need dialogue - the freedom of open discussion and a willingness to listen to every point of view. Many of our citizens have a life long commitment to St. Albert. Let us listen

to them. Let us grant to our elected representatives that freedom to speak which alone can allay the fear they might intend selling us down the St. Albert Trail. Citizens must join in this debate not to force the issue but to bring it into the open and create an informed public opinion.

Finally this whole matter should be of urgent concern to the department of Municipal Affairs. What plans does our Provincial Government have for dealing with the growing problems of the metropolitan regions of Alberta? I for one would be glad to know if there is anyone listening at the other end.

C. B. Dawkins.

WEEK**

And a good "good evening" to all dog owners from The Gazette, whose publisher this morning received two tickets by registered mail from our friendly town hall for "Dog at large".

At \$10 each comes the moment of truth - get rid of Welsh Corgi (which probably means losing wife and children at the same time!) or pay the \$20, knowing he will still get out every now and then past somebody coming to the door.

Sturgeon Health Unit Stuttering

Though speech disorders are often difficult for the doctor to diagnose, any layman can recognize a stutterer. The condition is common, affecting some 3% of the population at one time or another and lasting over an appreciable period in about 1%. The condition was known to the ancient Greeks and Egyptians and as early as 1584 it was attributed to a disorder of the brain.

Boys are affected about 6 times as often as girls and those of lower intelligence are more susceptible. Sometimes there is a hereditary factor.

Put simply stuttering (stammering is another word for the same thing) results from an interruption in the normal rhythm of speech and the diagnosis is applied when it attracts attention, interferes with communication or causes distress to the stutterer or his audience. He knows precisely what he wishes to say but he is unable to say it freely because the muscles of speech are improperly co-ordinated. In the type due to continuous muscle spasm there is complete blockage of speech, but at the instant of relaxation, the pent-up word is exploded, followed by rapid speech. When the spasm is intermittent there is a repetitive disturbance ("c-c-c-can't"). There are also mixed versions.

No undue attention, sympathy or ridicule should be shown to the very young

child who stutters; the condition is best ignored. A very few who begin to stutter around about 4 or 5 years have deep personality disorders meriting expert treatment. Most of the remaining cases appear by 7 years, nearly always before 11. Secondary phenomena which are probably psychological in origin, such as embarrassment, a sense of being mocked at or a feeling of inferiority often follow.

Recent work cast doubt on the accepted relationship between handedness and stuttering, though I still believe that parents should not attempt to influence the development of handedness. Each case requires careful assessment; and skilled psychotherapy, speech therapy and wise parent counselling constitute management. In addition, particular attention has to be paid to the school situation; usually recitation has to be limited though not curtailed but this is a matter for discussion between the family and school physicians and the teaching staff.

"I think Flips is going to buy me a new wardrobe... He took all my measurements this morning!"

United Church Annual Meeting

A family "Pot Luck" supper was the prelude to the congregational annual meeting of the St. Albert United Church on Jan. 28.

The annual reports, submitted in printed form showed a marked improvement in the church's affairs during 1967, although, just as in every household, the inflationary spiral kept expenses mounting just ahead of income.

Statistics presented showed that the number of marriages had increased by 100% during the year over those performed in 1966. There were 25 infant baptisms and 34 new members received. Almost 400 children are registered for Sunday School, a number which makes it necessary to hold two complete Sunday School sessions each Sunday at 9:30 and 11 a.m. For the convenience of parents of young

children, two morning worship services are also held at the same hours.

There was a fine response to the need for Sunday School teachers and leaders. The Third St. Albert Scout group started in 1966 has risen to two Cub packs numbering 81 boys and a Scout Troop of 39. These groups have outgrown the church premises and meet in school gymnasiums each week.

Senior and intermediate choirs both report excellent years, but are looking for new recruits.

In conjunction with the annual visitation and canvass in the fall, a questionnaire was filled out, results of which, when tabulated, show many volunteers for different branches of the church's work.

A vote of appreciation was passed, commending the work of Rev. Musto.

Election of church boards then was made with Messrs. Ted Arklie, Jim Wiltshire and Doug Taylor becoming members of the session, Mrs. Mies Vandenbos, and D. R. Wilson, Barry Findlater and Ron Davies were elected to the committee of stewards. Dr. W. D. Cuts was renamed delegate to Presbytery and Conference with Art Ralphs as alternate.

Mrs. H. Stinson, in her capacity as recording steward, was secretary for the meeting.

St. Albert Senior Hockey.

The St. Albert Senior Hockey team is still undefeated after three games played last week.

On Jan. 31 they played Morinville and beat them 3-1. Joyal scored one goal and Fraser two.

Vimy was defeated by the

St. Albert boys on Feb. 2. The score 8-7. Roy Lamer scored the winning goal with just three minutes left in the game to break a seven all tie. Vic Roberge scored a hat trick.

Back to Morinville on Feb. 4 and the boys took that game by a score of 9-2. Danny Callihoo made a hat trick and Captain Fred Hesse scored two goals. Other points were singles.

On Feb. 8 the team is at Westlock and on Feb. 11 at Barrhead.

At the Citadel

The Citadel's next production, *The Owl and the Pussycat*, opens Feb. 14. Bill Manhoff's comedy ran for 421 performances on Broadway.

Private Lives, one of Noel Coward's best-known comedies, will close out the season at The Citadel Theatre running from April 17 - May 11.

First presented in London in 1930, the comedy has enjoyed frequent revivals and is currently the "darling" of many U.S. and English repertory companies. On one occasion, it ran 716 performances at London's Apollo Theatre.

Two Ladies Contest Div. 4

Two ladies are seeking the seat on the school board in Division four of the Sturgeon School Division. Voting will take place on Feb. 17 from 1 to 7 p.m.

Mrs. Lois Hole won the seat six months ago by acclamation when Albert Lesburg resigned. She is campaigning for it again this year.

Mrs. Gordon Hittinger (Mary) of Morinville district is also contesting the election. A St. Albert girl, she has lived on a farm in the Morinville district since her marriage.

Mrs. Hole has always been interested in children's education and feels the best way to show this interest is by serving on the school board. Her first try at public office was six months ago when she allowed her name to stand for the Sturgeon School Board.

Mr. and Mrs. E. G. Hole have two boys aged 11 and 12 and live on a farm, she has been a resident in the Sturgeon District for the past 15 years.

"This is a large district to serve and it takes lots of time to attend meetings and workshops and study education programs. I have plenty of time to do this work now," Mrs. Hole said.

Mary (Kennedy) Hittinger is running for the first time in this election, but has followed school affairs with keen interest most of her life. In the footsteps of her

father, Andrew Kennedy, who served as a school trustee for many years. She feels that her experience in a variety of club and community activities over the past 11 years will be helpful. The Hittingers have 3 sons and 2 daughters.

In addition to her interest in school matters as the mother of five children, Mrs. Hittinger is also concerned with good management of the taxpayers' money. "I want to see that the taxpayers' dollar be spent only when necessary. A long-range look should be taken, and a careful study made of future needs, before entering into a building program," Mrs. Hittinger said.

She is also interested in fostering co-operation between school boards for the best advantage to all. Mrs. Hittinger stated her belief that school affairs are of prime importance and as such should be decided by an election with choice of candidates. For the same reason she feels voters should take a lively interest and take care to exercise their vote.

"I am prepared and willing to devote the time required for this work, and will give up all other outside activities if elected," said Mrs. Hittinger.

In Division one John McConnell and George Soetaert are contesting the right to represent the district.

Alcomdale Draws 29 Rinks

Some 29 rinks from far and near competed at the Alcomdale 1968 Open Spiel held Feb. 2-3-4.

Grand Challenge Winners: 1st - Norman Meunier rink, from Morinville; 2 - Camille Bolle foursome, from Legal; 3 - Norman Steinki of Edmonton and 4 - Angus McDonnell of Riviere Qui Barre. Second Event: Rod McLeod of Riviere Qui Barre; Ken McRae of Riviere Qui Barre; Lane rink from Westlock and Al. Bannock from Mearns.

Third Event: Bryan Meyers, Morinville; Marlow rink from Busby; Alex Brenois of Alcomdale; and Glenn Anderson of Busby.

It was the best spiel held to date in Alcomdale.

Thibeault Interviews

Thibeault's parents are finding out that parent-teacher interviews can be just as important as report cards.

W. J. Fitzpatrick, Senior Principal said, that in one or two cases in each class, meetings would substitute for report cards. However, the main purpose of the interview was still to supplement report cards in determining a student's progress.

Interviews are quite popular between teachers and parents, as can be shown by Thibeault's 85% average turnout this year.

The practice is for schools to hold a parent-teacher day from 9 - 5 p.m. Thibeault's day last year was November 13, 1967.

In the interview a student's personality points are discussed which give the extra dimension to report cards.

Parent-teacher interviews have been encouraged for several years now by the Thibeault board and staff and parents are definitely beginning to appreciate their value.

Coming Events

Bon Accord

The Bon Accord Lions' Club are sponsoring a "Valentine Bingo" Feb. 10 at 8:00 p.m. in the Bon Accord Community Centre. One-half the proceeds to go to Roy Malanzen family whose home was destroyed by fire.

Senior A St. Albert vs Vimy - Legal Arena

Sturgeon School Division

The following items are from the minutes of the Sturgeon School Division meeting carried over from last week's issue of the Gazette.

AGREEMENTS

Sturgeon School Division will pay \$2,100 as payment in full for the transportation of 47 divisional pupils from the Cunningham attendance area for a period Sept. 25 to Jan. 4, 1968.

A tuition agreement was signed with Sturgeon School District for Grades 1 to 9.

Salary agreements were ratified.

The above business was done at the special meeting held on Jan. 6.

MEETINGS

Council meetings - on Thursday after the second Tuesday of every month. Other board or committee

meetings - on call by the chairman.

Committee or board members be paid at the rate of \$25 per diem plus .12¢ per mile for mileage travelled on municipal business.

A 5% penalty on all unpaid taxes from the previous year as of March 1, 1968, was authorized.

A 5% discount on payment of taxes if paid within 60 days of the mailing date of tax notice will be given.

D. Bevington recorded a vote against this motion.

RENTAL RATES

Office space for department of agriculture - \$200 per month. Office space for Sturgeon School Division No. 24 - to be charged 1/2 of the cost of utilities, caretaking, maintenance, taxes and minor alterations.

NAMAO NEWS

The time for Namao's Winter Carnival is here again. As in previous years there will be two fun packed days of activities.

On Feb. 9 there will be skating races for children of all ages. Ribbons and prizes will be given and the booth will be open to provide refreshments.

In the evening at 8 p.m. the Variety Night program will be held in the school auditorium. The show will feature the well known and talented couple, Dianne and Ron Nelson, as well as amateur performers from the Namao Community.

Feb. 10 at 9 a.m. the Patry Service Bantams AA will play Lancaster Park midgets at the Namao Community rink. Namao boys play on both of these teams. At 11 a.m. Namao Mites will play Redwater, at noon Namao Pee Wees versus Redwater, 2 p.m. Namao Bantams versus Redwater.

Basketball will be played all day starting at 9 a.m. with nine teams involved.

The refreshment booth will be open in the school. Power toboggan races will begin at 1:30 p.m. snow per-

Office space (1 room for 1 day per week) to B. Lavallee at \$25 per month. Municipal House - a new rent to be negotiated at a later date.

Municipal equipment rental rates will be referred to the public works committee for its recommendations. Also municipal gravel trucking.

Moved that Municipal Employees salaries be referred to the Public Relations Committee for its recommendation to Council and that said salaries be retroactive Jan. 1, 1968.

Legal CWL

Mrs. A. Ouellet, who now resides in Edmonton, attended the January meeting of the Legal C.W.L. She gave an interesting account of how she with the aid of Mrs. F. Roberts carried on the good work of the C.W.L. by assisting a destitute family to acquire new hope and happiness. Mrs. G. Luaghebur read an article on "Marijuana in Edmonton" and how to detect student users of drug. She also gave a list of addresses to which used Christmas Cards may be mailed.

Teen Dance

The Alcomdale Community League will sponsor a Teen Dance in their hall on Friday, February 23rd, with the Coffin Raiders supplying the music.

FUA Auto Insurance

Farmers who participated in the Farmers' Union of Alberta Auto Insurance Pool last year will pay smaller premiums in 1968.

The F.U.A. has announced a dividend of 7.5% on auto insurance operations underwritten for the organization by Co-op Insurance Services. The dividend will reduce premium billings for 1968 by more than 8% when combined with a general reduction of pool premium rates.

An 8.5% dividend on annual farm insurance policies has also been announced. W. D. Lea, chairman of the F.U.A. Insurance Committee, says the farm insurance pool shows earnings of 23% of premiums paid. Of this earning 50% has been placed in reserve. The bal-

ance has been used to pay off last year's deficit and to reduce 1968 premium billings by 8%.

A third announcement made by the committee outlined plans for a proposed income protection insurance plan to cover farmers who suffer loss of income as the result of accident or illness.

The plan is expected to begin operation this year.

The success of the auto and farm insurance pools has been attributed by F.U.A. President Paul Babey to the safe driving practices and fire prevention programs promoted by Co-op Insurance and the F.U.A.

Healing Substance In Preparation H Shrinks Piles

Exclusive healing substance prevents shrink hemorrhoids and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most important of all—results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.

Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores—satisfaction or your money refunded.

4-H Regional Banquet and Presentations

Jan. 31 some 160 people attended the sixth annual Edmonton regional council 4-H banquet and annual meeting, combined with award presentations, at the Club Mocombo.

Allan Shenfield, of Spruce Grove, presided and welcomed the guests, he also introduced Don Hamilton, Alberta service corps, department of youth, who was guest speaker. He congratulated the 4-H leaders for their work in preparing young folks for a real job in life. He stressed the fact that no one can be self satisfied in what is being done. "We must ask ourselves" said the speaker if what we are doing is for future years in an automatic world or urban life, we must realize that young people are living in a world of new morality, away from home in large groups and are free".

Mr. Hamilton stated that "every city in Canada has a dope scene, and we must prepare our young people for this". He stressed the fact that 4-H had a good program for the past 15 years, but asked if the 4-H program of today is prepared to meet its pressures and the society of tomorrow.

Three prime questions must be answered by all, he said "Who are we?"

"Where are we going?" and "What do we have to declare?"

Mr. Hamilton continued by saying that the Young Service Corp has much to offer young people. Every one must become involved in the basic necessities of our society concluded Mr. Hamilton. Wayne Underschlutz thanked the speaker for his challenging and inspiring address.

The annual meeting followed with Mr. Shenfield returned as president for another term of office as chairman of the council.

Miss Karen Walker read the minutes and financial statement.

Others elected to the 1968 executive were Mrs. Dorothy Rigney, first vice-president; Garry Webber, second vice-president; Martin Soetaert, secretary treasurer; Brenda Daly, reporter; Douglas Blernort, club representative and Terry Ferby ad chairman of beef committee for beef show. Three new directors for special projects: Garry Smith, Glenn Bodel and Mrs. Marguerite Borle. Presidents reports were given by R. Grey.

Stanley Powers, D.A. for the M.D. of Sturgeon made the presentation of scrolls on behalf of the Alberta Centennial Committee to Mrs. Betty Brown, Mrs. Marguerite Borle, R. Grey, Jack Bingle, CFRN-TV for coordinating the Jamboree presentation at the Edmonton Gardens last year. Allen Shenfield and Mrs. Dorothy Rigney presented a scroll to Stan Powers.

Mr. Powers, who has served the M.D. of Sturgeon as district agriculturist and has promoted and helped all

the 4-H work in the district, has resigned and will join the field branch of the department of agriculture to serve south of Edmonton. Several 5 and 10 year 4-H

certificates were also presented by Mr. Jake Klu on behalf of the 4-H Edmonton Regional Council. Mr. Harry Peterson, 5 and 10 certificates; Terry Ferby, 5 years; Mrs. C. Cameron, 5 and 10 years; Mrs. W. Roswell, 5 years; Mrs. Marguerite Borle, 5 years and Mrs. M. Clark 5 years.

Among the many special presentations was a large silver tray presented to the winner of the Intermediate class, Norman Schwind of Spruce Grove. Medallions were presented on behalf of the department of youth to the leaders and assistant leaders and each member for projects completed in 1966-67 in each club in the region:

Legal Clothing, Mrs. C. Demers; Gibbons Garden, Mrs. Winnie Roswell; Villeneuve Clothing, Mrs. Marguerite Borle; Bon Accord Clothing, Mrs. Dorothy Rigney; Alcomdale Clothing, Mrs. Joyce Whitson; Morinville Clothing, Mrs. Rose Brennes; Namoo Garden, Mrs. Audrey Gibson; Sturgeon Valley Dairy, Mel Clark; Namoo Beef, Allen Sweetman; Villeneuve Beef, Wm. Soetaert; Alcomdale Beef, Walter Kennett; Bon Accord Beef, Taras Ferby; Morinville Beef, Art Soetaert. Special guests from Sturgeon were: Miss Joyce Rigney, Bon Accord Garden, provincial silver tray winner; Miss Sylvia Auger, Legal Clothing, provincial silver tray winner; Miss Shirley Clark, Namoo Garden, Dairy Princess; Miss

Legal Locals

Power toboggan enthusiasts, entries are now being accepted by the Legal Recreation Board for their Winter Carnival that will be held Feb. 24-25.

The Marriage Preparation course will be held each Sunday evening at 8 p.m. at the Recreation Centre.

The ladies enjoyed their first lesson of their self improvement course given by Mrs. Bonnie Suvan of St. Albert Jan. 31.

The First Aid classes have started and will be held every Monday evening at 8 p.m.

Despite the cold weather, renovations at the bank are progressing rapidly.

Mr. and Mrs. William Cyre and family are new members of the community.

Mr. and Mrs. Bruno Chamberland are proud parents of a son, Robert, born on Jan. 25. The godparents are Mr. Chamberland's brother and sister Claude and Marjolaine.

Second Section Gazette

PAGE ONE WEDNESDAY, FEBRUARY 7, 1968

W. Van de Walle Wins Trip

At the Jan. 11 and 12 meetings of the council of the M. D. of Sturgeon W. Van de Walle was the lucky winner of a trip to Illinois.

R. Angus Ltd., agent for Caterpillar, is sponsoring a tour of the Caterpillar factory in Illinois on Feb. 4. The company was offering a free trip with all expenses paid to one representative per municipality or county. In order to determine the person to represent this M.D., the names of those able to attend were put in a hat and Mr. Van de Walle was the name that was drawn.

The council appointed Mr. Cote as the municipal assessor for 1968 on part time basis in order to take care of the annual assessment.

Financial Statement for the month ending Dec. 31, 1967.

Net Balance at the end of previous month	203,142.92
Receipts for the month	194,814.52
Sub Total	397,957.44
Less Disbursements for the month	132,270.48
Net Balance at end of month	265,686.96

The following municipal equipment rates per hour for 1968 were approved:

Municipal Road Construction	Ratepayers
D7's Equipped \$6.00	\$12.00
D8's Equipped 8.00	14.00
Wagner Scraper 15.00	17.00
Cal 621 Scraper 15.00	17.00
Wagner Compactor 9.00	12.00
Carry pans 5.00 per day	
Pull grader - Operator wages operator)	7.00 (includ.
Motor Grader 5.00 per hour	7.00.

Mr. Donahue, on behalf of A. P. Kibsey, attended the council meeting. He read to council a statement that had been prepared by Mr. Kibsey president and Publisher of Sun Publishing Co. Ltd., requesting the members to reconsider making an agreement with his company for the distribution of the Sturgeon Journal to every ratepayer. A complimentary copy of the said paper will continue to circulate to every ratepayer of this Municipality for another three to four months in order that the people can notice the considerable improvement in the publication since the change of management.

Council will apply to the Bridge Branch for this with Dr. J. Smulski's request. Council will apply to the Water Resources Division for a drainage survey of the high water problem existing on the N 1/2 22-53-25-4.

The public works committee inspected the N. A. R. crossing at Mileage 1.8 Edmonton Subdivision and found that it had been re-instated and barricades removed on Dec. 19. On Dec. 28 the committee met with Rene Lessard N. A. R. Engineer and the board of transport engineer Don Eckford at the above noted crossing. Mr. Eckford informed the committee that the crossing would be left open until the end of June 1968 to give sufficient time for the municipality to construct an access road to the subdivision. The council instructed the public works committee to

further investigate a suitable location for an access road to the Perma Tube Subdivision.

Franklin Sand and Gravel contract has been carried out in accordance to specifications.

The council authorized the superintendent of public works to install guard rails south of the Villeneuve underpass and one mile east and one and a half miles south the Villeneuve underpass.

The committee found that Fitzgerald Crushing Ltd., were very slow in its operation and decided to award another 20,000 yards of 3/4 inch gravel to be crushed and stockpiled to Hopkins Crushing Ltd., of Lacombe.

The Adams 660 B Patrol purchased last July will be located in Area No. 2.

The erection of a perimeter fence around the culvert storage yard in the spring of 1968 for the price of approximately \$2,500 was approved.

An order was booked with C. F. Tempest of Alberta Culvert Co. Ltd., for approximately \$5,000 worth of culverts size and length to be determined by the superintendent of public works.

J. W. Riddell, supervisor of community recreation services of the recreation branch interviewed the council in relation to the establishment of a municipal recreation board. He said there were approximately four municipalities who had established recreation board in conjunction with towns and villages with the areas in question.

Flashing Lights

Letter from C. W. Rump, secretary of Railway Transport Committee was read to council in relation to the installation of two flashing light signals, short arm gates and bell at 156 Street mileage 6.42 "B" Line Edmonton C.N. Terminal Subdivision. The total cost of division. The total cost of said installation would be approximately \$26,400 and the estimated yearly maintenance and operation at \$600 per year. Pursuant to the board's regulations the municipality would have to assume 12-1/2% of the cost of installation and 50% of the cost of the annual maintenance and operation for said recommended automatic protection for this crossing.

The M.D. is agreeable to this.

Supt. of Public Works Report

A total of \$286,842.07 was spent on the construction of 20 miles of road and patch work. The municipality gravelled 292 miles of road at a cost of \$284,750.68. A total of \$23,968.49 was spent on the purchase and installation of culverts and \$30,732.17 on machinery rentals. Road maintenance with motor graders cost \$62,596 as of Dec. 31.

Present at the meeting of the Recreation Steering Committee were Messrs. K. Everitt, (chairman) Joe Mabbett, Earl Toane, Larry Paul, Frank Sale, Frank Rivard, Wes Carleton, L. Brenneis, Pat Sheehan and secretary Reverend G. H. Primeau. The committee recommended a list of members that could be appointed on the recreation board pursuant to a by-law which are as follows: Messrs. George Soetaert, Hugh Crozier, Wes Carleton, Allan Mills, Earl Toane, Hector Soetaert, Mill Moser, Allan McDonnell, Larry Paul, G. H. Primeau, Rita Milligan, Angela Montpetit, Mrs. Leonard Whitson, Mrs. Pearl Quintal. From said list of names the committee felt that only seven members are to be appointed, consisting of one council member, one member approved by the Sturgeon school division, three male members taken at large including the towns and villages and two women members taken at large including towns and villages.

A sample copy of a by-law on the establishment of a recreation board applicable to this municipality was read and discussed then tabled until the February 15 council meeting.

The Recreation Steering Committee are to contact the towns and villages within this municipality to see if they wish to join the municipal recreational board and if not, said committee is to attempt to set up boundaries for a municipal recreational board thus excluding the people

He stressed the importance that it was the council's responsibility to establish a board pursuant to a by-law but also warned that in many instances an interim board would be preferable.

The Pee-wee Quintal rink won the grand district Curl-O-Rama championships in the district finals played at Morinville on Jan. 29-30, sponsored by Massey-Ferguson with five teams participating. Shown above are Bob Sage, Massey-Ferguson district manager, Gustave Meunier, host for the Morinville Play downs, and Pee-wee Quintal of Calahoo, Eugene Boddez, Rene Boddez and George Borle all district farmers. The Northern Alberta and B.C. finals will be played at the Thistle Curling Club in Edmonton on Feb. 12-13 to determine the Northern Champions who will compete for the Toronto playdowns.

that are wishing to join the towns and villages that presently have a recreational board operating.

The rent on the municipal house will be increased from \$60 to \$75 per month effective March 1, to June 30.

All welfare cases will be handled by Mr. Nobert.

By-law No 58-68, being a by-law of the Municipal District of Sturgeon No. 90, Morinville, Alberta for authority to purchase Municipal Equipment namely, a new model 660 B Motor Grader Adams, Serial No. P660 BGM 15124, complete with all standard equipment.

WHEREAS, under the provisions of the Municipal District Act, section 253, Chapter 215, Revised Statutes of Alberta, 1955, with amendments up to and including 1967.

WHEREAS, the Council of the Municipal District of Sturgeon No. 90, may, by by-law, authorize to purchase any equipment deemed necessary for the maintenance or construction of roads or any other work;

Under By-Law No. 58-68, the council will purchase the following described piece of road equipment;

One new Model 660 B Motor Grader (Adams) powered by a GMC 6-71 Diesel engine complete with all standard equipment and equipped as per rental agreement, Serial No. P 660 BGM 15124 - Total Price \$32,000. Less monthly rentals paid during 1967 of \$10,000. Net balance to be paid is \$22,000.

Letter from Dr. J. Smilski was read requesting that the

old bridge as it now stands on the SE 13-56-23-4 be left there so as to provide a necessary access to the property bordering the west side of the Sturgeon River. The owner of the farm would accept responsibility for maintaining the bridge and for any liability arising from its use.

Arrangements will be made for a joint meeting of the M.D.'s of Stony Plain and Sturgeon on Feb. 12, at Morinville.

Calgary Power Co. - Power Service to Edmonton Concrete Block on the NW22-53-25-4 was approved.

A complaint from Adby Construction was referred to the public works committee for inspection and report findings at the next meeting.

Morinville Memos

On Feb. 1 Mrs. Bertha Krauskopf was guest of honour on the occasion of her 75th birthday, at a family dinner for some 24 members of her immediate family at the Beverly Crest Hotel. On her way to the family reception, her children and Mrs. Krauskopf stopped and visited many life long friends and relatives at Youville Home in St. Albert. After the smorgasbord supper, the grandchildren presented Mrs. Krauskopf with a bouquet of American roses she received other personal gifts from her children.

Morinville & District Calendar

- FEB. 9 - Valentine Teen Dance, Orchestra "Sound Counts" Morinville Centre, dancing 9 p.m. to 1 a.m. Sponsored by MYRC.

Sturgeon School Division No. 24 Notice of Annual Meeting of all Subdivisions

Take notice that annual meetings of electors subdivisions numbers 1, 2, 3, and 4 of this School Division will be held at the Cunningham School at Morinville on Saturday, February 10, 1968 at 1:30 P.M.

Charles E. Krauskopf
Secretary-Treasurer
Sturgeon School Division No. 24
Morinville, Alberta.

ers on staff at Thibault will take up residence there for the next school term.

Note to all mothers of Brownies and Guides in Morinville and District: Mrs. Bjorg Carlson has been appointed Uniform Commissioner for the Morinville Local Association, sponsors of the Morinville and District Guides and Brownies. All old and unused Brownie and Guide Uniforms are requested to be handed in to Mrs. Carlson so that they can be put to good use. Please remit as soon as possible. Mrs. Carlson has also kindly volunteered to take charge of all new uniform rentals.

Remember the depots for all unwanted or discarded household items and good used clothing for the annual rummage sale, the only community project sponsored for the support of the Morinville Guides and Brownies. All items may be brought to the Martel residence any time.

The famous Broomball game between the Christian Ladies and CWL and Morinville Girls, was won by the Christian Ladies, score 2-1. Due to the very cold weather, the attendance was poor.

Some 24 ladies are taking the International cooking series, now being held at the Morinville Centre. Last week, Mrs. Ann Maslyk and Mrs. Ann Kryskow demonstrated the art of Cabbage Roll making.

The Morinville Company of Guides and all the Brownie and Guide leaders, are at present taking a St. John Ambulance First Aid Course. This is very good practical training for this young age group of girls.

On Feb. 12 the Cool Spoilers will hold a formal tea at their regular workshop session. Mrs. George Clark and Mrs. Alice St. Germain have been invited to pour.

The new Thrift Car Wash in Morinville is now open for business. Watch for advertisement for hours of service.

Some 12 rinks participated in the Canadian Legion sponsored Curling Spiel Feb. 3. First winners were the Ernest Houle rink of Morinville; Charles Pelletier of Edmonton took second event and Oscar Hittinger also of Edmonton won the third event. Emile Borle was the winner of the raffle. A smorgasbord supper was served and dancing completed the evening program.

SUPT. OF PUBLIC WORKS REPORT

Continued from Page 1

debentures purchased by Alberta municipal financing corporation will be 7% per annum effective Jan. 1.

Reed, Shaw and McNaught Insurance Broker confirmed that the present policy will provide protection to this municipality in respect to motor scrapers hauling gravel to be spread on M.D. roads at no additional premium.

Municipal winter works incentive program 1967-68 confirmed the provincial and federal authorities approval on project No. Alta 429 for crushing and stockpiling an additional 20,000 yards of gravel from the gravel pit located on the NE 3-54-27-4.

The public works committee were authorized to negotiate another contract with Hopkins Construction for crushing and stockpiling the remainder of gravel in the pit that was opened for

Mr. and Mrs. Albert Craig accompanied by Mrs. Edward Craig have returned from a motor trip to Saskatchewan.

Mrs. Andre Sabourin recently won a radio as a prize for selling subscriptions to the new "Franco Albertain" paper.

Arthur Demers' father Jos. L. Demers passed away Feb. 3 in Saskatchewan after a long illness. Rev. Sister Luciana, high school teacher in Morinville last her father, E. Morino, 95, who passed away suddenly on Feb. 4 in Edmonton.

Florida visitors returning last week from a holiday are: Mr. and Mrs. George Vranas and Mr. and Mrs. Christ and Mr. and Mrs. Chris Vranas. Rev. Father Primeau is due back on Feb. 10.

Namoo won the boys basketball tournament held at Georges Vanier School auditorium Feb. 3. Thibault was second.

their previous contract.

A letter will be sent to Hon. Gordon Taylor inquiring as to his department's

intentions in relation to hard surfacing gibbons East road to Imperial Oil plant 9.2 miles.
